Some faces are fat, and some are thin. There's a square, a pointed, or a rounded chin.

4

Choose a Pair of Silly Ears

Trace the ears. Place so top and bottom of ear meet your head. If hair is a problem, trace the ear only where there is no hair.

Here's quite a choice. Now add an ear. Even cartoons want to hear.

5

Choose a pair of funny Eyes and Eyebrows

After giggling at the variety of Eyes on your cartoon, trace your choice. You may add ideas, place closer or farther apart, make them wink . . . Be creative.

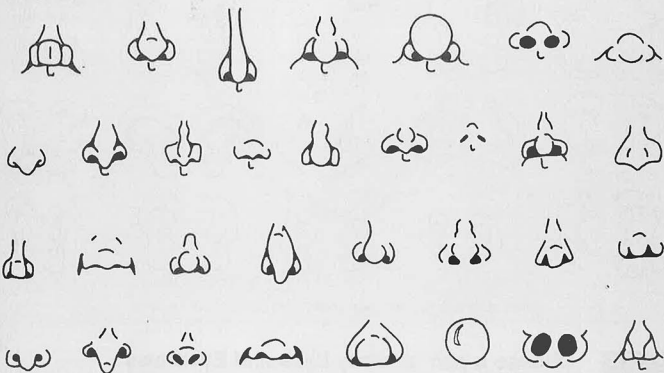

Eyes that twinkle, Eyes that care, Eyes that are sexy, Eyes that stare.

6

Choose a crazy Nose

Trace a nose between the eyes.

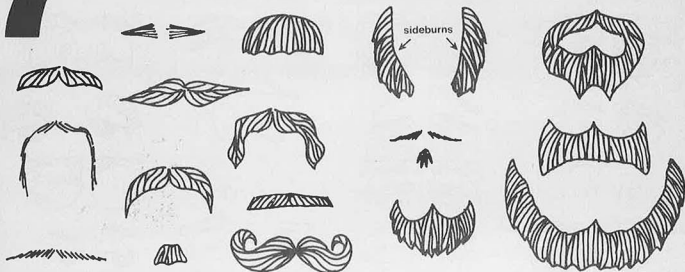

Noses sneeze, and often smell. When they run, you're not too well.

7

Choose a Moustache, Sideburns, or Beard

Trace a moustache, beard, or sideburns, if desired. (You may have to erase some lines in order to add these. A standard pencil eraser will work.)

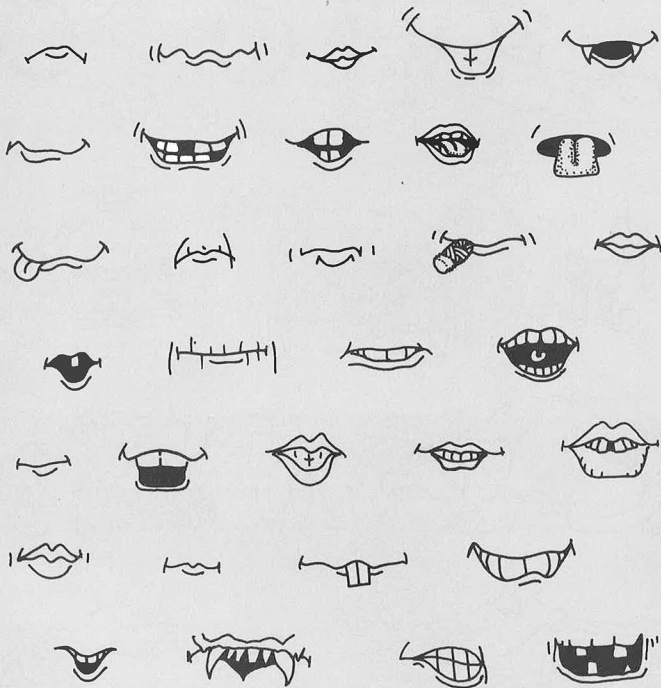

Moustaches and beards add a special touch. Your KOOKY COMIC is just too much.

8

Choose an expressive Mouth

Trace any mouth. (Take a break and enjoy your masterpiece.)

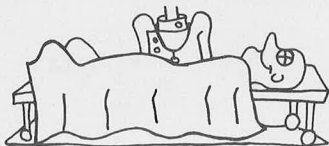

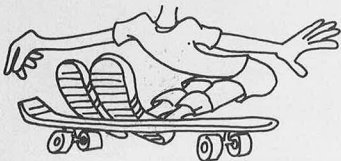

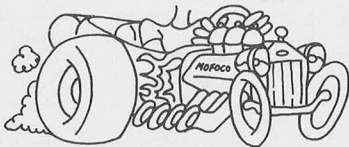

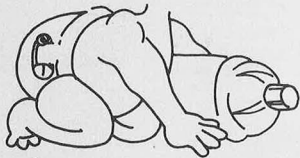

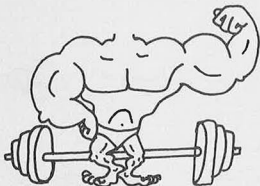

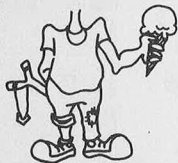

Does he smile, sneer, or frown? Does the mouth turn up or down? Maybe fangs would look just neat. WOW!
Now your face is quite complete

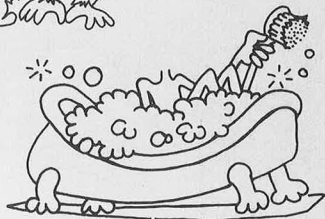

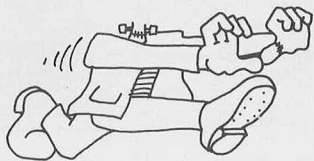

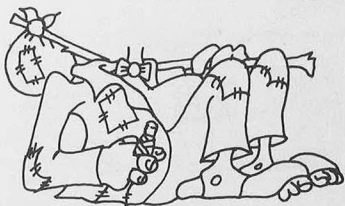

9

Choose a Kooky Body

There are many bodies on these pages from which to choose. Personalize even more, adding your school colors, names, initials, or with a bit of creativity you may change the body from male to female.

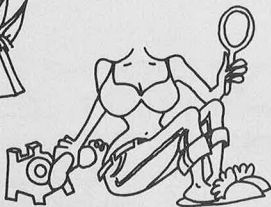

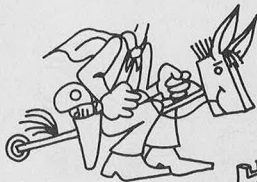

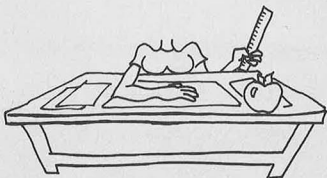

Bodies often tell a story, super silly, even gory.

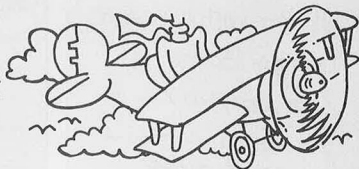

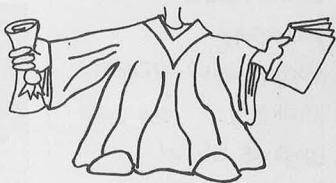

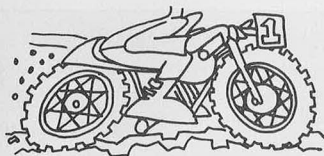

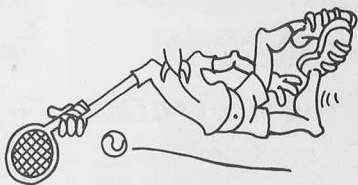

Rich man, poor man, beggar man, thief. Doctor, lawyer, Indian chief.

Kooky Bodies...Continued

There are many bodies on these pages from which to choose. Personalize even more, adding your school colors, names, initials, or with a bit of creativity you may change the body from male to female.

Trace a body, neck to feet. As an artist, you're hard to beat!

In the water, on the snow, knock 'em down, vroom . . . let's go!
